

Are you interested in participating in research for

Bipolar Disorder & Sleep

Researchers at the Mood Disorders Research and Treatment Service of Providence Care and Queen's University in Kingston are now recruiting volunteers!

*You do not have to have disturbed sleep to participate

- Have you been diagnosed with bipolar disorder?
- Are you currently feeling depressed?
- Are you over the age of 18?

If you answered **yes** to all of these questions please call or e-mail for further information

***Travel costs will be reimbursed**
